## Biography Lois Reuter

Lois is the office manager of the Capital Advisory Group, LLC. She is responsible for supervising all administrative staff. Lois is also responsible for client account processing, scheduling and any client service requests.

Lois loves our clients and works hard to make each and everyone feel like family.

“Our clients have entrusted us with their financial future, and we take that job very seriously,” says Lois. Lois supervises by example. “I will never ask any of my staff to do anything that I would not be willing to do myself.” Our goal is keep this a fun place to work. Don’t get me wrong, we get lots of work done, but we try to keep the environment like a family.
